SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

In accordance with the requirements of 37 CFR §1.56, applicants submit the document attached hereto to be made of record in the above-identified case. A listing of said document on form PTO-1449 is also attached.

The present Information Disclosure Statement is being filed after the mailing date of an Office Action dated November 20, 2003 pursuant to 37 C.F.R. §1.97(c).

No item of information contained in the Supplemental Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application, and, to the knowledge of the person signing the statement after making reasonable inquiry, no item of information contained in the Supplemental Information Statement was known to any individual designated in §1.56(c) more than three months prior to the filing of the Supplemental Information Disclosure Statement.

This Statement is not intended to represent that no better art exists. Applicants reserve the right to contest the applicability of the documents attached hereto as prior art in the event that any information is discovered which demonstrates that said documents do not qualify as prior art.

Consideration of the present Information Disclosure Statement is respectfully requested. The claimed invention is, however, deemed to represent a patentable departure from the teachings of the prior art.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'L. E. Parker', written over a horizontal line.
